SHOP INFORMATION AND SUPPORT

Labor performed on this job:

Labor 0.43 Labor Rate: \$90.00 \$38.70

The information age has arrived and it is expensive. We currently spend in excess of \$1000 monthly for current Volvo service information and hardware associated with its use. Additionally, the myriad of items never invoiced i.e. Hardware, chemicals, cleaner and other supplies continue to escalate in cost. Our shuttle service is another new expense. This surcharge is to help recover a portion of these costs without increasing our labor rate. Thank you for your understanding and support.
